Ford Kuga

1.5T EcoBoost GPF Titanium X SUV 5dr Petrol Manual Euro 6 (s/s) (150 ps)

WAS £12,999

NOW £12,699

With only 37,000 miles on the clock, this 2018 Ford Kuga offers remarkably low mileage for its age. This Kuga, in the Titanium X trim, boasts a 1.5L petrol engine and meets Euro 6 emission standards. The vehicle is equipped with a power opening panoramic roof, including a panoramic sunroof that opens to bring the outside in.

The heated driver and passenger seats, along with the heated front seat cushion and seat back, provide added comfort during colder months. The Ford Key Free System, complete with a hands-free power tailgate, offers convenience for easy access. Rear parking sensors make parking easier, offering additional assistance. These features combine to make this particular Kuga a cut above other similar vehicles.
