With only 22,800 miles on the clock, this 2021 Ford Fiesta is a fantastic opportunity to own a nearly-new car. This ST-Line Edition variant comes with a sporty ST-Line Edition trim and a responsive 1.0L petrol engine, all while meeting stringent Euro 6 emission standards. The vehicle is equipped with the Comfort Pack, which includes heated seats and a heated steering wheel, perfect for those chilly mornings. LED projector headlights with daytime running lights provide enhanced visibility, and the NCAP Pack includes automatic headlights for added safety. Manually controlled air conditioning keeps the cabin comfortable, and rear parking distance sensors make parking a breeze.

This Fiesta stands out with its impressive fuel economy of 54 mpg, meaning fewer trips to the petrol station and lower running costs. The low CO2 emissions are another advantage, making it an environmentally conscious choice. Acceleration from 0-62mph in 10.6 seconds ensures a responsive and engaging driving experience.
